

Example:

Ben Jones – Elmer Sharks

Ben has been swimming on the Elmer Sharks for last 12 years, and swam for the Vineland Seals for 5 years. He also swam for his high school. Ben graduated from Paul VI and will be attending Rowan University. He will miss Funday Mondays, Flipper Fridays and The Swim Team Campout. He'll miss always helping his favorite little sharks and swimming with the older ones but most of all Ben will miss cheering with his team. Ben would like to thank the coaches for helping him strive for his goals. He would also like to thank his parents for their constant support in everything and for pushing him to be a better person.

“Elmer sharks will always be my second home and my second family”.
